-- from sh.SALES

-- group by CHANNEL_ID

-- having sum(amount_sold) > 100000

39.Using SH.PROMOTIONS, display promotion categories whose average promotion cost is greater than 1000.

-- select promo_category, round(avg(promo_cost),2)

-- from sh.PROMOTIONS

-- group by PROMO_CATEGORY

-- having round(avg(promo_cost),2) > 1000

40.Using SH.COSTS, display products whose average unit price is greater than 500.

-- select prod_id,round(avg(unit_price),2)

-- from sh.costs

-- group by prod_id

-- having round(avg(unit_price),2) > 500
